\*Maximum allowed: 6 units.

\*\* Recall that no more than 6 units of the combined units of ESE 400 (Independent Study) and ESE 497 (Undergraduate Research) may be applied toward the elective requirement. The balance of the combined units, if there are any units left, are allowed as free electives to satisfy the requirement on the total number of units.

Deliver the form to Shauna Dollison, Electrical & Systems Engineering Department, Green Hall 1101, Campus Box 1042.
