SCHOOL OF ENGINEERING AND APPLIED SCIENCE

**UNDERGRADUATE RESEARCH / INDEPENDENT STUDY/
MASTER RESEARCH**
(E35 ESE, 400, 497 or 497B, 500, 599)

Student's Name: _____ Student Number: _____ Date: _____

Academic Advisor: _____

Course Supervisor: _____

Topic:

Brief Description:

The program outlined in this proposal is adequate for _____ units of credit * in ESE 400 497 497B
 500 599

As the advisor, I will also approve this as ESE Elective Credit ** for an Undergraduate Degree, Major or Minor
 Yes No Will be decided upon completion

_____, Research / Independent Study Faculty Advisor
(signature)

_____, Academic Faculty Advisor
(signature)

*Maximum allowed: 6 units.

** Recall that no more than 6 units of the combined units of ESE 400 (Independent Study) and ESE 497 (Undergraduate Research) may be applied toward the elective requirement. The balance of the combined units, if there are any units left, are allowed as free electives to satisfy the requirement on the total number of units.

Deliver the form to Shauna Dollison, Electrical & Systems Engineering Department, Green Hall 1101, Campus Box 1042.
